

**Colorado Rangelands State Report**  
**March 23, 2015**

- No major changes were made to the Colorado Rangelands website this past year.
- Minor changes included updating broken links and removing one resource, the C. Wayne Cook Papers, since that webpage no longer exists.
- The possibility of moving Colorado Rangelands to the LibGuides platform is being considered, but work on the project is on hold until the summer.
- Website statistics (from Google Analytics) for Colorado Rangelands from Jan 1 – Dec 31, 2014:
  - Total page views: 1,782
  - Approximately 21% of visits were from a mobile device
  - International traffic included 30 sessions from google.fr and 23 sessions from google.de
