Produced by David Keto  
University of Wyoming  
Extension

This material is based upon work that is supported by the National Institute of Food and Agriculture, U.S. Department of Agriculture, under award number 2014-46401-22594.

## Rough Cut

- Cut out questions being asked, coughing, dead air, misstatements
- Reorder the interview to optimize story flow
- Remove unnecessary and redundant clips
- Think as short as possible
- Add b-roll—photos and extra footage from the field—to cover jump cuts and advance story

## Fine Cut

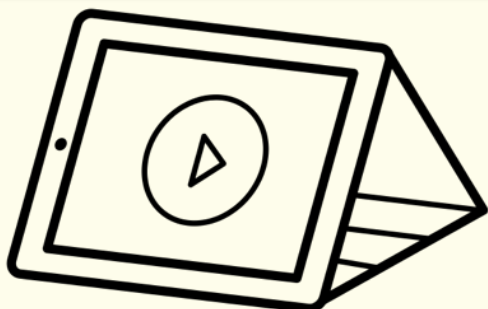

- Focus on shortening and improving story rhythm & flow
- Add narration if necessary
- Adjust audio volume as needed
- Add music
- Have a friend or colleague take a look

## Final Cut

- Optimize story flow
- Should only be making small changes
- Add titles, text, credits
